EVENT
▶

The IOT / M2M Innovation World Cup is the world's leading IOT / M2M international award competition. Hundreds of contestants from over 60 countries demonstrated firsthand the innovation potential in the world of M2M communications and the Internet of Things. The finalists will present their game changing solutions in "Connected Home", "Smart City", "Mobility", "Security", and "Healthcare".

Be part of this breathtaking event and celebrate the coming stars in IoT with us.
